PROCEDURAL ORDER

Today Verizon filed a Motion for Extension of Time to file exceptions to the Hearing Examiner's Report (which currently are due on September 23, 2004). Verizon states that the extension is needed because of additional deadlines relating to other matters here at the Commission, including response to a Motion for Reconsideration in Docket No. 2002-682. Verizon also states that Skowhegan Online, Inc. (SOI), one of the principal parties to this proceeding, objects to the extension.

Verizon's request for an extension until **October 1, 2004**, is granted. While I appreciate SOI's interest in having this matter resolved as soon as possible and would otherwise have been inclined to grant a shorter extension, due to both the Advisors' and Commissioners' schedules, granting the full extension is the most practical resolution of Verizon's request. No further extensions will be granted.
